Infills + Removals

Infill cost is determined by:

- How many lashes have been lost
- The condition your lashes are in (i.e. makeup and mascara that hasn't been removed)
- How long since last set/infill
- Set type/material used
- How much your lashes have grown

Below is a guide to infills for each set:

Lite Classic Set Infills	From \$60–\$85*
Full Classic Set Infills	From \$65–\$110*
Glam Classic Set Infills	From \$75–\$125*
Natural Volume Infills	From \$100–\$175*
Maximum Volume Infills	From \$125–\$220*

* Price dependent on amount of lashes lost/ weeks between infills.

Please note – as a general rule, **we do not infill lashes done elsewhere**, due to quality control issues. However, if you are wearing good quality extensions that you would like infilled, feel free to pop in and we can check your lashes to see if this is possible!

An 'infill' is classified at under 4 weeks, with a minimum of 30% extensions remaining. If you retain lashes extremely well, at our discretion we may infill up to 5 weeks. Infills are usually required at 3 weeks.
